

CARPETS FOR COMMUNITIES

Empowering mothers to break the cycle of poverty

Market Stall Representative

About us

Carpets for Communities is a not-for-profit social enterprise focusing on developing sustainable solutions to end poverty. We empower mothers of impoverished families to earn a stable and fair income in the Poipet Commune of Cambodia, on the Thailand border. We teach mothers to produce one-of-a-kind, hand-hooked carpets then sell these carpets into Australia and across the world with the support of a large volunteer base.

The Role

The responsibilities of a Market Stall Representative include:

- Managing the functioning of weekend market stall
- Encouraging public support and carpet sales

Reporting to the Volunteer Coordinator and other senior staff, you would likely undertake a commitment of approximately 5 hours per week with a reasonably flexible commitment period of 6-12 months.

The role would particularly suit those with a passion, interest or area of study/professional experience in the fields of:

- Events management
- Sales and Marketing
- Human Resource Management

Note: The tangible measures of success in the role include percentage growth in revenue from carpet sales and sales ratio per stall, so experience and/or interest in the aforementioned business areas would allow more engagement with the role.

As a new volunteer, you will have the opportunity to attend an initial market stall to learn how they function. Then, you will then have the opportunity to engage with management and other staff in order to step up into a more managerial and administrative role.

Desired Skills/Attributes

Attributes desirable to the role include (but are not limited to):

- Professionalism and time management capability
- Interpersonal and public engagement skills
- Reliability with general management skills

To Apply

Please send an expression of interest to Brooke Jones: volunteer@carpetsforcommunities.org

Carpets for Communities prides itself as a fundamentally inclusive organisation.
